CONTRIBUTORS TO VOLUME LXXV.

- Z. B. ADAMS, M.D., Roxbury.
 NATHAN ALLEN, M.D., Lowell.
 ROBERT AMORY, M.D., Boston.
 G. J. ARNOLD, M.D., Roxbury.
 JOHN G. BLAKE, M.D., Physician of
 the City Hospital, Boston.
 J. N. BORLAND, M.D., Physician to
 the City Hospital, Boston.
 SAMUEL CABOT, M.D., Surgeon of
 the Massachusetts General Hospital,
 Boston.
 WILLIAM H. CAMPBELL, M.D., Rox-
 bury.
 S. H. CARNEY, M.D., Physician to Bos-
 ton Dispensary, Boston.
 DAVID W. CHEEVER, M.D., Assistant
 Professor of Anatomy in Harvard
 University, and Surgeon to City Hos-
 pital.
 B. E. COTTING, M.D., Roxbury.
 F. I. CUMMINS, M.D., New York.
 EPHRAIM CUTTER, M.D., Boston.
 GEORGE DERBY, M.D., Boston.
 HASKET DERBY, M.D., Boston, Sur-
 geon to Massachusetts Eye and Ear
 Infirmary.
 OSCAR C. DEWOLF, M.D., Northamp-
 ton.
 THEODORE W. FISHER, M.D., Boston.
 GUSTAVUS HAY, M.D., Surgeon to the
 Massachusetts Eye and Ear Infirmary.
 ALFRED HITCHCOCK, M.D., Fitchburg.
 R. M. HODGES, M.D., Adjunct Profes-
 sor of Surgery in Harvard Medical
 School, and Surgeon of Massachu-
 setts General Hospital.
 CHARLES D. HOMANS, M.D., Surgeon
 to the Boston City Hospital.
 JOHN HOMANS, Jr., M.D., Boston.
 EDWARD G. LORING, M.D., Baltimore,
 Md.
 JOHN P. MAYNARD, M.D., Dedham.
 J. W. MERRIAM, M.D., Arizona Ter.
 FRANCIS MINOT, M.D., Physician to
 Massachusetts General Hospital.
 W. W. MORLAND, M.D., Physician of
 the City Hospital, Boston.
 PAUL MUNDE, M.D., Wurzburg, Ger-
 many.
 W. F. MUNROE, M.D., Boston.
 HENRY K. OLIVER, M.D., Boston.
 A. F. PATTEE, M.D., Boston.
 JOHN RYAN, M.D., Boston.
 T. W. SHASTED, M.D., Pittsfield, Ill.
 JOSEPH STEDMAN, M.D., Jamaica
 Plain.
 SILAS E. STONE, M.D., Walpole.
 D. HUMPHREYS STORER, M.D., Profes-
 sor of Obstetrics in Harvard Medical
 School.
 C. W. SWAN, M.D., Pathologist of the
 City Hospital, Boston.
 WILLIAM H. TODD, M.D., St. Stephen,
 N.B.
 G. J. TOWNSEND, M.D., Natick.
 G. TRESKATIS, M.D., Albany, N. Y.
 GAETANO VALERI, M.D., Professor in
 the University of Rome, Italy; Hono-
 rary Member of Massachusetts Medi-
 cal Society.
 S. G. WEBBER, M.D., Boston.
 DAVID E. WELLS, M.D., Franconia,
 N. H.
 JAMES C. WHITE, M.D., Adjunct Pro-
 fessor of Chemistry in Harvard Med-
 ical School, and Physician to Out-Pa-
 tients to Massachusetts General Hos-
 pital.
 HENRY W. WILLIAMS, M.D., Ophthal-
 mic Surgeon of the City Hospital,
 Boston.
 JEFFRIES WYMAN, M.D., Professor of
 Comparative Anatomy and Physiolo-
 gy in Harvard University, Cambridge.

INDEX TO THE SEVENTY-FIFTH VOLUME.

- ABBOT, Dr. S. L. Case of pneumonia without expectoration, 435
 Action of salts within and without the economy, 443
 Adams, Dr. Z. B. Review of Niemeyer's Principles of Pathology and Therapeutics, 460, 485
 Advertising quacks, decision of English bench, 504
 Alcohol, consumption of in France, 272
 Allen, Dr. Nathan. Increase of population in Massachusetts, 453; reply to remarks on the same, 531
 Amblyopia, caused by anaesthesia of retina, 473
 American Medical Association, circular of Publishing Committee, 149; Transactions of, 549
 American Pharmaceutical Association, 108, 131
 Amory, Dr. Robert. On the action of hydrocyanic acid, 73; note on, 130
 Anaesthesia, by ether spray, Dr. Richardson the discoverer of, fund for, 271; local, in Caesarean section, 52
 Ancylostomum duodenale, an account of, 427
 Aneurismal dilatation of the arch of the aorta, 245
 Anstie's (Dr. F. E.) Notes on Epidemics, 528
 Apparatus for treatment of fracture, 346
 Army, U. S., conditions for entering medical corps of, 91
 Arnold, Dr. G. J. A hydrostatic atomizer, 434
 Aromatic substances, artificial production of, 480
 Arrest of development, 114
 Arsenic in hemorrhoids, 451
 Artery, brachial, ligated for a stab, 184
 Artificial production of aromatic substances, 480
 Asiatic cholera, 17
 Association, American Dental, 27
 Asthenopia, Donders on, 353
 Asthma, spasmodic, 493; relief for, 151
 Astigmatism, a case, 513
 Atomizer, hydrostatic, 434
 Atropine and mercury in acute iritis, 520
 Barnes, Surgeon General, recovery of, 212
 Barth and Roger's Manual of Auscultation and Percussion, 528
 Bates, Mr. M. S. Report of Berkshire Medical College clinic, 501
 Berkshire Medical College, clinic of, 501, 544
 Benevolent Society, Mass. Medical, 291
 Bennett, Dr. J. H., on position of practical medicine, 330
 Bibliographical notices, 16, 102, 383, 304, 387, 407, 445, 460, 485, 525, 546
 Biographical sketches of living New York surgeons, 18
 Births, marriages and deaths in Boston in 1865, 248
 Blackwell's Island, cholera on, 110
 Blake, Dr. John G. Case of cerebro-spinal meningitis, 125
 Blanching of the hair, sudden, case of, 112
 Books and pamphlets received, 28, 132, 212, 232, 272, 292, 312, 332, 352, 372, 412, 432, 452, 492, 532, 552
 Borland, Dr. J. N. Case of reflex paralysis following suppression of catamenia, 265
 Boston, cholera in, 148; Annual Report of Births, Deaths and Marriages in, for 1865, 248; Boston Society for Medical Improvement, 19, 66, 125, 222, 245, 264, 383, 425
 Brain, diffused contusion of, 125
 Brazilian Medical Journal, 311
 Bread poisoning at Winona, Ill., 551
 Brevet rank of U. S. Surgeons, nominations, 511, 531
 Bronchocoele, removal of, 491
 Brown-Séquard, Prof. C. E., reception, 430; retirement from practice, 492
 Cabot, Dr. S. New method of treatment of ruptured perinaeum, 53
 Caesarean section, painless under use of ether spray, 272

- Calculus in a female bladder removed per urethram, 226
- Campbell, Dr. W. H. Fracture apparatus, 345
- Cancer, abdominal, with apoplexy in medulla oblongata, 187
- Candy, haschisch, 348
- Carbolic acid, instantaneous death from swallowing, 271
- Carney, Dr. S. H. Case of gastrotomy, 213
- Censorial duties; medical education, 105
- Census, U. S., statistics of, 68
- Cerebro-spinal meningitis, case of, 125; Prize Essay on, 29, 59, 80, 93, 120, 140, 163, 177, 203, 215, 241, 253, 295, 340; case of, 66
- Cereus grandiflora, remarks on, 537
- Certificates of chemists, 547
- Chaussier, death of by cholera, 90
- Cheever, Dr. David W. On the policy of removing leucocythæmic tumors, 9; on a case of diffused contusion of the brain, 125; on ligation of the brachial artery, 184; on unsuspected fracture of the femur into the condyles, 184; on suffocation in a privy vault, 181; on a number of cases of fracture of the skull treated by him in the City Hospital, 193; surgical cases, 393, 533
- Chemists' certificates, 547
- Chicago Academy of Sciences on trichina, 51
- Children, weakly, 310
- Chloride of sodium in the treatment of wounds, 150
- Chloroform and ether mixed, death from, 432
- Cholera, case of, 303; a Treatise on, by Dr. J. C. Peters, 305; attributed to infected clothing, case of, 209; on Blackwell's Island, 110; conference at Constantinople, Report of, 42; international sanitary conference on, 418; mortality in Chicago, 411; mortality in New Orleans, 411; portability, 450; portability and communicability, 339; progress of the, 250; progress of, in the United States, 90; quarantine against, 26; in New York and other seaboard cities, 26; sporadic, 127; subcutaneous injections in, 27; its treatment, 496; treatment by missionaries in Constantinople, 351; bulletin, 129; in the United States and in Europe, 129; in Boston, 148; in Great Britain, 491; in London, 449; in Paris, 209; in Roxbury, 413
- Chordee, 448
- Chorea, fatal case after criminal abortion, 383
- Citrate of magnesia solution, 430
- City Physician, letter of, to the Consulting Physicians of Boston, 50
- Clark, Sir James, Medical Commander of the Order of the Bath, 92
- Clinical lectures on amblyopia, &c., 18
- Clinic of Berkshire Medical College, 501, 544
- Collodion, 36
- Commencement of Dartmouth Medical College, 331
- Communications received, 28, 92
- Connecticut Insane Hospital, 392
- Contagious diseases, immunity from, 207
- Contusion of brain, diffused, case of, 125
- Cornell, Dr. W. M. On poisons wrongfully administered, 499
- Corporal punishment of girls, 409
- Cotting, Dr. B. E. Case of abdominal cancer, with apoplexy of the medulla oblongata, 187; case of singular disease of toes, 406; cholera in Roxbury and vicinity, 413; case of paralysis following carbuncle, with extraordinary nervous phenomena, 222
- Croup, cases of 515; and diphtheria, differential diagnosis, 470
- Cryptogamous origin of intermittent fever, 172
- Cummins, Dr. F. I. Case of exsection of superior maxillary bone, 450
- Cupping apparatus, new, 311
- Cutter, Dr. Ephraim. On laryngoscope, 373, 436
- Cysticercus tenuicollis in the human body, 185
- DaCosta, Dr. J. M. A., on inhalation of atomized fluids, 408
- Dartmouth Medical College, 331
- Davis, Dr. H. G. on conservative surgery, 535
- Death from fear, 112
- Deaths of physicians, 28, 152, 172, 212, 232, 252, 292, 432, 492, 512, 532
- Decay of New England, 287, 308, 411, 453, 498, 531
- Dental Association, American, 27
- Derby, Dr. George. Remarks upon population of Massachusetts, 498
- Derby, Dr. Hasket. Translation of case of amblyopia, caused by anaesthesia of retina, 473
- Development, arrest of, 114
- De Wolf, Dr. O. C. Case of ovarian tumor, 293
- Diagnosis and prescription record, 409
- Diphtheria, kreasote in, 212; and croup, differential diagnosis, 470
- Dislocation of humerus, 348
- Dispensary, Boston, Annual Report of, 251
- Donders on asthenopia, 353
- Ear, treatment of subjective symptoms, 431
- Earthquake, effect of, on a magnetic needle, 210
- Eczema, nature and treatment of, 153
- Embolism, prize for essay on, 543
- Encephaloid disease of stomach and liver, 21

- England, illegitimacy in, 452
 English bench on advertising quacks, 504
 Erysipelas in City Hospital, 393; expectant treatment of, 332; phlegmonous, following hypodermic injection, 519
 Esthiomene, perforating, 114
 Ethnology in America; Mr. Peabody's donation to Harvard University, 267
 Evidence, medical, 428, 447
 Exsection of superior maxillary bone, 459
 Extra-pharmacopœial preparations, 188
 Eye, practical guide to the study of, 283
 Filter for poor men, 532
 Fisher, Dr. T. W. Case of fracture of hip joint, treated without splints, 479
 Flint's (Dr. Austin) treatise on the physical exploration of the chest, 463; treatise on principles and practice of medicine, 546
 Foreign medical intelligence, 92, 111, 271
 Fracture, of the femur into the condyles, unsuspected, 184; of head of radius, 383; of femur treated without splints, 433; of hip joint, treated without splints, 479; of skull by a slung shot, trephining, recovery, 226; apparatus, 346; cases of at the City Hospital, 193
 Fractures and dislocations, Prof. F. Hamilton's treatise on, 388
 French Academy, zoological section, election, 432
 Gallic acid in congestion of the kidneys, 172
 Gastrotomy, 27; case of, 213
 Gazette Medicale of Montreal, 91
 Gibbes, Dr. R. W., death of, 312
 Gibert, M., death of, by cholera, 90
 Girls, corporal punishment of, 409
 Gould, Dr. A. A., notice of last sickness, death by cholera, &c., 167
 Graduates of Harvard Medical School, who have served in the war, 25
 Gunshot wound, 117; of knee joint, 385
 Gunshot wounds of pelvic viscera, 539
 Hæmatemesis, case of, 385
 Hæmorrhage on eleventh day after delivery, 477
 Hæmorrhoids, arsenic in, 451
 Hair, sudden blanching of, 112
 Harris, Dr. J. O. A simple form of vapor bath, 50
 Harvard Medical College, number of students, 492; graduates who served in the war, 25; introductory lecture, 307
 Haschisch candy, 348
 Hastings, Sir Charles, M.D., death of, 271
 Hay, Dr. Gustavus. Case of astigmatism, 513
 Hayward, Dr. Nathan, obituary notice of, 90
 Hebra, Prof., son of, wounded in battle, 92
 Hernia, comparative frequency of different forms of, 91
 Hip joint, fracture of, treated without splints, 479
 Hitchcock, Dr. Alfred. Case of rupture of tricuspid valves from fright, 276
 Hodges, Dr. R. M. Cysticercus tenuicollis in the human body, 185; a successful case of trephining, for fracture of skull by a slung shot, 226; on successful removal of calculus from a female bladder per urethram, 226; on the removal of the entire ulna, 226; case of fracture of head of radius, 383
 Homans, Dr. John, Jr. Case of fatal hæmorrhage eleven days after delivery, 477
 Homans, Dr. C. D. Cases of croup, 515
 Hospital, City, number of patients treated, 491; Marine, Chelsea, patients treated, 491; Mass. General, choice of house pupils, 549
 Human jaw, fragment of, found among bones of fossil animals, 271
 Humerus, dislocation of, 348
 Hutchins, Dr. E. R. Letter on medical schools in Philadelphia, 270
 Hydatiform cysts from the uterus, 321
 Hydrocyanic acid, action of, with experiments, 73; note on, 130
 Hydrostatic atomizer, 434
 Illegitimacy in England, 452
 Immunity from contagious diseases, 207
 Incision and dilatation of the mouth of the womb, comparative merits of, 173
 Inconsistencies of the press, 227, 350
 Insane hospital, State, in Connecticut, 172
 Intelligence, medical, 351, 372, 390, 430, 471
 Intelligence, foreign medical, 92, 111, 271
 Intermittent fever, cryptogamous origin of, 172, 450
 International medical congress, 111
 Introduction to the study of clinical medicine, 313, 333, 360, 379, 402, 439
 Introductory at Harvard Medical School, 307
 Iritis, atropine and mercury in, 520
 Ivory, scarcity of, &c., 151
 Jones, Dr. C. Handfield, observations on functional nervous disorders, 464
 Journals received, 28, 132, 232
 Kidneys, congestion of, gallic acid in, 172
 Knee joint, gunshot wound of, 385
 Kresate in diphtheria, 212
 Laryngeal growths, 233, 253, 377
 Laryngoscope, the practical uses of, 373, 436
 Lawrence's (Dr. John Z.) Handy-book of Ophthalmic Surgery, 445
 Lectures on ophthalmology, 172
 Ligation of brachial artery, 184

- Liver, reversed position of, 302
 Local anesthesia in Cesarean section, 52
 Loring, Dr. Edward G. Review of Don-
 ders on asthenopia, 353
 Lumbar abscess, case of, 137
 Lyman, Dr. G. W. Case of expulsion of
 tape-worm by koussou, 426

 Magnesia, solution of citrate of, 430
 Magnetic needle, curious incident con-
 cerning, 210
 Maine Medical Association, 39
 Malformed fetus, with numerous fractures
 of the bones, 19
 Mammoth, discovery of, 472
 Martin, Dr. Henry W., brevet promotion
 of, 212
 Marriages of physicians, 28, 52, 172, 212,
 252, 272, 292, 492, 512, 532
 Massachusetts, increase of population in,
 453, 498, 531
 Massachusetts General Hospital, house
 pupils, 549
 Massachusetts Med. Benevolent Society,
 291
 Massachusetts Medical Society, notice of,
 72
 Materia Medica for students, 104
 Maynard, Dr. John P., on collodion, 36
 Medical appointments, foreign, 111, 112
 Medical corps of the United States army,
 conditions for entering the, 91
 Medical diagnosis, Dr. J. M. Da Costa's
 work on, 304
 Medical evidence, 428, 447
 Medical intelligence, 351, 372, 390, 430,
 471
 Medical Journal, Brazilian, 311
 Medical Journals revived, 328
 Medical prizes: Astley Cooper; Jewett;
 American Popular Life Insurance; on
 expectant medicine, 210
 Medical schools in Philadelphia, 270
 Medical Society, Vermont, annual session,
 323
 Medical Societies, delegates to, 231
 Medical students in Philadelphia, 452
 Medicine, the science and practice of, by
 Dr. Aitken, 286
 Menstruation and abortion at the age of
 72, 27
 Merriam, Dr. J. W. Case of phlegmonous
 erysipelas, following hypodermic injec-
 tion, 519
 Metric system, 147; note on the, 171
 Milk cure, 488
 Minot, Dr. Francis. Paraplegia from de-
 structive inflammation of spinal cord, 264
 Morland, Dr. W. W. A case of scirrhus
 of the pylorus, 10; case of cerebro-spinal
 meningitis, 66; case of aneurismal dila-
 tion of the arch of the aorta, 245;
 case of hæmatemesis, 385
 Mortality of first labors, 451
 Munde, Dr. Paul. Cases of gun-shot
 wounds of pelvic viscera, 539

 Municipal munificence, 532
 Munroe, Dr. W. F. Chordee, 448
 Muscular power, the source of, 549

 Narceine, physiological action of, 171
 Needle gun, wounds inflicted by, 332
 Neligan's (Dr. J. M.) Treatise on Diseases
 of the Skin, 527
 Nerve action, rapidity of, 490
 Neuralgia, severe, after amputation of fore
 arm, 55
 New England, the decay of, 287, 308, 411,
 453, 498, 531
 New Hampshire Medical Society, transac-
 tions, 528
 Niemeyer's Principles of Pathology and
 Therapeutics, 460, 485
 Nodules upon vocal cords, 337
 Norfolk District Medical Society, 365

 Oliver, Dr. Henry K. Laryngeal growths,
 233, 253, 277; cases of nodules upon
 vocal cords, 337
 Ophthalmic Surgery, by Dr. J. Z. Lau-
 rence, notice of, 16
 Ophthalmology, lectures on, 172
 Ovarian tumor, operation and recovery,
 293; treatment of pedicle, 330

 Paralysis, following carbuncle, presenting
 extraordinary nervous phenomena, 222
 Paraplegia, with disease of bladder, from
 destructive inflammation of spinal cord,
 264
 Paris, cholera in, 209; schools, past and
 present of, 389; statistics of, 312
 Pattee, Dr. A. F. On cereus grandiflora,
 537
 Pelvic viscera, gun-shot wounds of, 539
 Pereira's Materia Medica, by Dr. F. J.
 Farre, notice of, 304
 Pharmaceutical Association, American,
 annual meeting of, 108, 131; proceed-
 ings of, 17
 Photographing upon silk, 484
 Phthisis, mortality from in Connecticut,
 412
 Physician's memory, honoring of a, 67
 Physicians, deaths of, 28, 152, 172, 212,
 232, 252, 292, 432, 492, 512, 532; mar-
 riages of, 28, 52, 172, 212, 252, 272, 292,
 492, 512, 532
 Physiological action of narceine, 171
 Pistol shot, effects of, 225
 Pneumonia, Dr. J. H. Bennett on, 102;
 without expectoration, 425; treatment
 of at La Charité, 138
 Poisoned bread at Winona, Ill., 551
 Poisonous slate pencils, 52
 Poisons wrongfully administered, 499
 Pollock's (Dr. James) Elements of Prog-
 nosis in Consumption, 407
 Population of Massachusetts, 498, 531;
 increase of, 453
 Practical medicine, present position of, 330

- Preparations, extra-pharmacopoeial, 188
 Press, inconsistency of the, 227
 Prize for essay on epidemics, 311
 Probes for lachrymal passages, improvement in, 101
 Procter, Professor, resignation of, 18
 Prussian army, ambulances of, 92
 Punishment of girls, 409
- Quack advertisements in the daily press, 250
 Quarantine necessary against cholera, 26
- Radius, fracture of head, 383
 Rapidity of nerve action, 490
 Rational medicine at La Charité; treatment of pneumonia, 138
 Re-amputation, fatal case of, 384
 Reflex paralysis with suppression of catamenia, 265
 Removal of entire ulna, 226
 Report, of cholera conference at Constantinople, 42; of the Surgeon-General, 466
 Reversed position of liver, spleen and heart, 302
 Revival of Medical Journals, 328
 Rinderpest in England, 27
 Rivers, Dr. H. W., brevet promotion, 292
 Rostan, M., death of, 272
 Rupture, of tricuspid valves from fright, 276; of the uterus, 116
 Ruptured perineum, treated by a new method, 53
 Ryan, Dr. John. Case of cholera, 303
- Salts, their mutual action within and without the economy, 443
 Scarcity of ivory, &c., 151
 Scirrhus of the pylorus, 19
 Sewing machines, 87
 Shasted, Dr. J. W. On treatment of cholera, 496
 Short-hand writing, importance of, 149
 Sims's (Dr. J. M.) Notes on Uterine Surgery, 387
 Skull, pleiocene, geological address to, 231; cases of fracture of, 193
 Slaughter-houses in Brighton, inspection of, 22
 Society, Mass. Medical Benevolent, 291; Vermont Medical, annual session, 333; Norfolk District Medical, 365
 Societies, medical delegates to, 231
 Solvent for vegetable and animal substances, 551
 Spasmodic asthma, 493; relief for, 151
 Specialties, 446
 Spermatorrhœa, Treatise on by Dr. Bartholow, notice of, 305
 Spine, cases of dislocation and fracture of, 533
 Sporadic cholera, 127
 Slate pencils, poisonous, 52
 Statistics of Paris, 312
- Stedman, Dr. J. Severe neuralgia, following amputation of forearm, 55
 Stimson, Dr. Jeremy, eighty-third birthday, festival in honor of, 271
 Stone, Dr. Silas G. Fracture of femur treated without splints, 433
 Storer, Prof. D. H. Comparative results of incision and dilatation of the mouth of the womb, 173
 Storer, Prof. H. R. Letter of resignation to directors of New England Hospital for Women, 101; note from, 448
 Students, medical, in Philadelphia, 452
 Subcutaneous injections in cholera, 27
 Suffocation in a privy vault, 186
 Sulphate of iron to destroy rats, 451
 Sullivan, Dr. John L. On the comparative frequency of different forms of hernia, 91
 Surgeon-General's Report for 1866, 466
 Surgical cases, from the records of the City Hospital. Paper No. VIII., 193; No. IX., 393; No. X., 533
 Swan, Dr. C. W. On encephaloid disease of the stomach and liver, 21
 Swinging as a remedy, 478
 Synostosis of cranium, 427
- Tanner's (Dr. T. H.) Index of Diseases, 547
 Tape-worm, voided after koussou, 426
 Taylor's (Dr. A. S.) Manual of Medical Jurisprudence, 445
 Todd, Dr. William H. Lumbar abscess, 137
 Toes, singular disease of, 406
 Townsend, Dr. G. J. Urachus pervious after birth, 113; arrest of development, 114; transposition of thoracic organs, 114; perforating esthiomene, 114; rupture of the uterus, 116; gun-shot wound, 117; uterine hæmorrhage, 133; case of dislocation of humerus, 348
 Townsend, Dr. Wm. E., death of, 350
 Toynbee, Mr., death of, accidental, 28
 Transactions, of the American Medical Association, 549; of the New Hampshire Medical Society, 528
 Transposition of thoracic organs, 114
 Trephining the spine, 533
 Treskatis, Dr. G. Case of reversed position of liver, 302
 Trichina, report on by the Chicago Academy of Sciences, 51
 Tricuspid valves, rupture of from fright, 276
 Trousseau, false report of death of, 491
 Tumors, leucocythæmic, 9
 Tumor, ovarian, operation and recovery, 293
